## PRESIDENT'S CORNER

I'd like to thank all of the committees for their hard work so far this year!

This past month, both well houses, the office, pavilion, laundry, and pool houses have been treated for termites. We are now in the process of having them cleaned and painted.

Also, we are getting ready to install a key system for the gate. This is being done in order for the fire dept to make a quick entry into the park.

In the last month, there have been four incidents, unfortunately, of the cable being cut while digging. Please, before you dig, kindly call the utility company and the cable company.

It is necessary for everyone to check with the architectural committee before starting any building or repairs on your property.

We still need to watch our water usage during the drought. Please water only three times a week between the hours of midnight and ten A.M. I fully realize that we are under no such restrictions in White County for private wells, but if we drain our wells dry, I know that White Co. will not replenish them or furnish us with any water. So, please CONSERVE!

In closing, please remember to VOTE your choice on the new by-laws and covenant changes. You can bring them to Jim Baggot, Lot 187 or mail out ASAP! Every vote is so important!

Until next month, sincerely,  
Tom Grice, President

**PVAG NEWS**

We had a really Super July 4<sup>th</sup> celebration at PVC this year! There was lots of scurrying around to put the finishing touches on the golf carts which were beautifully decorated for our annual parade! Nineteen carts participated in the parade. Many children, grandchildren, and great-grandchildren were in the park and they decorated carts with great enthusiasm and creativity! The golf cart parade was accompanied by our very

own Helen Czerwinski, complete with bagpipes playing patriotic songs for all to hear. Many PVC'ers joined her to sing along! Thanks, Helen, for giving a unique and perfect note to the celebration!

The winners of the golf cart parade are:

A delicious barbecue followed the parade which was attended by 128 hungry people. The big Bubba grill was manned by Buck Tidwell, Jerry Higgins, and his son Jeremy, and Dick Duhaime. They did a great job! Huge thanks to them all.

To all the ladies who helped set up, serve, clean up, and who donated yummy side dishes as well as scrumptious desserts, we say many thanks to you. We couldn't have had such success without y'all! Lots of great food, family, and friendship made this year's celebration special indeed!

Thank you to our volunteer workers Sharon Outland, Arvella Auer, Barbara Mushlin, Elaine Lucas, Beverly Sundin, Judy Ellis, Judy Geers, and Barbara Tidwell for all their efforts. \* We must all work together to enforce the rules in PVC. Don't just depend on the board to do it! Members of PVC share just as much responsibility to enforce the rules. All residents of PVC received the rules in the voting packet.

**FOR YOU INFORMATION**

As stated in last month's issue, White Co. celebrates 150 years! So again, here is some history about our county.

Did you know that there was once a movie theatre in Cleveland, named the Princess Theatre? It was built about 1947 or 48.

Attached to it was the Princess Grill which had a pool room in the back. Tickets in 1951 sold for ten cents each. These buildings were located on the northwest side of the square. Now the Mountain Trader occupies the building where the theatre was and a business occupies the grill. The most probable cause of the theatre closing was the coming of the drive-in theatre.

### RECIPE FOR THE MONTH

#### Clams Over Linguini

2 (6oz.) cans minced clams, don’t drain  
1 large onion  
1/3 cup olive oil  
1 Tbsp. butter  
1 Tbsp. dried basil  
2-3 cloves garlic minced  
1 Tbsp. parsley flakes  
1 lb. package linguini

In a large skillet:

Sauté onion and minced garlic in oil and butter until onions are soft. Add basil, parsley and undrained clams. Simmer 10 to 15 minutes. Cook linguini according to package directions. Drain linguini, put it into a serving dish, pour clam sauce over hot linguini and serve.

Optional: Sprinkle parmesan cheese and/or red pepper flakes over linguini.

This is a quick, easy, delicious dish. Enjoy!

### THOUGHT FOR THE MONTH

A wonderful life isn’t given to you by any magical means. You create it out of the way you think and the way you react!
