## President's Corner

Anyone with information regarding the car tow dolly located in the trailer parking area, please come forward to let us know about it. The dolly has been parked for several years without being moved. If no one comes forward to claim the dolly, it will be considered as abandoned and will be sold by the Association.

We have designated 2 handicap parking spots for golf carts; so unless you are handicapped, please refrain from parking in these spots.

**IMPORTANT! Save money on your PVC expenses by NOT pouring grease down your drain and into the septic system.** (You could save an empty jar to put grease in which can be thrown away easily without harming our sewage system, or if you have a bag of garbage, just pour the grease on top.) Grease is harmful to our system and can get very expensive.

Our next workshop will be on Friday, August 5 at 2p.m. The next B.O.D. meeting will be August 13 at 10 a.m. Please plan to attend and give us your input.

Buck Tidwell, President

**Lost & Found Announcement:** Two months ago, a black bag fell off a car near the entrance. It is by the table in front of the Real Estate office.

## Activities

We had lots of fun at our Annual Independence celebration on July the 2<sup>nd</sup>. Over 100 folks were served at the mid day cook out. Food was awesome as usual. Thank You to Buck Tidwell and Nick Coman for slaving over the grill in this intense heat. Also a big thanks to Barbara Tidwell for her continued hard work buying and preparing food for these events.

Thank you Barbara and Dmitry for 125 plates and thanks to Jean Harkins for 2 boxes of pancake mix and syrup. We appreciate their donations for our functions.

We appreciated Marilyn & Mel Russell and Robert & Sandi Gambescia judging our Annual Golf Car Parade.

Our First Place winners were Paul & Janet Schultz. They are friends of Arlin & Maxine Verely and stayed on their rental lot for the holiday. Their 4 children, Nathan, Erin, Kristen, & Kathleen enthusiastically decorated the golf car with some added help from Dexter, the faithful family dog. The kiddos were so into the holiday that they decorated their bikes and had their own bike parade on the 4<sup>th</sup>. Job well done Schultz family!

Second place went to Sue Tibbette's family. Becky, Blake and Brandon did an awesome job making their cart shine with red, white and blue. It is wonderful to see the young ones so excited about such an important holiday.

Our Third place went to new owner Jan Timoteo. Her 3 partners in crime were Sally Jones, Dawn Taylor, and Jean Harkins. Puppy dogs, Precious, Freddie, and Daisy accompanied them. They were all rocking out.

We want to thank Nick Coman and all the fellas for the delightful blueberry pancake and French toast breakfast. It was yummy! It is such a treat to have the men take charge and let the girls have a break from time to time.

*Thank You*

Thank you for supporting our new ice cream treats in the big freezer. We are on our 3<sup>rd</sup> batch of ice cream and this time we have 3 choices of Weight Watchers treats for some of our health conscious owners.

Bingo and the Movie night were big hits this month. Thank you Kaye Bushyager for making Bingo happen. We love trying different things. Also thanks to Barbara Tidwell for getting the movie, Secretariat and for preparing the hot dog meal prior to the movie. We will do a new movie again on August 15 at 7 PM. The movie will be The Lincoln Lawyer. Nick's famous spaghetti (frozen from recent dinner) will be served at 6 PM with garlic toast for \$2.00 for as long as it lasts.

Barbara Muslin is Acting Sunshine lady while we are looking for a new volunteer. Also Kaye Roan is unable to go forward with chairing the committee that gets meals out to friends and neighbors that are sick and in need of help. Barbara Tidwell has taken this on until someone else can step up to the plate. We need volunteers to keep these functions alive... Thank You Barbara Baggot and Kaye Roan for your time served and to the 2 Barbara's for stepping in at the last moment. If this is an area you would feel comfortable volunteering, please see Barbara Mushlin, Barbara Tidwell or Lanell Coons.

The sunbathers have reported: Thanks to the Activities for getting them additional deck chairs and end tables. Glad you are enjoying them.

Quiet moments, WORSHIP GOD  
Painful moments, TRUST GOD.  
Every moment, THANK GOD."

"He arrived this morning, We had prayer;  
Spent some time just talking,

And He held me for awhile

Because I was having a bad morning.

Then, He was on his way to your place."

Don't forget we have Directories for sale for \$6 and PVC Cookbooks for \$10. Not as many were printed this year because of the economy, so get yours before they're gone!!
