### President's Corner

#### PRESIDENT'S CORNER:

As you know, this month we will be having our annual election. I believe this is a very important election. There are four positions on the Board to be filled with six (6) people running. Do not listen to what everyone is telling you. Come to the August 10<sup>th</sup> Board Meeting and hear what the candidates have to say and ask your own questions. This is your Park. Know what is going on.

#### FROM THE BOARD:

We have received several complaints from owners, concerning owners/renters allowing pets to use the bathroom on their property and not picking up after their pets. Paradise Valley Campground Park Rules: Item 4; states "Owners must pick up after their pets". This includes ALL areas of the Park. PLEASE be considerate of others and pick up after your pet. Your cooperation in this matter would be greatly appreciated.

Item 6 states "Golf Carts shall display the owner's lot number. If you do not have your lot number on your golf cart, please put it on the cart.

The Architectural Committee would like to welcome all new members to PVC. As new owners' we are sure that there are changes you would like to make to your property. Please check with an Architectural Committee member before you start construction projects to see if a PVC permit will be required. We are here to help you.

A PVC permit is issued for a specific project. Any changes to the project should be discussed with an Architectural Committee member, before continuing with the project.

### FROM THE GROUNDS COMMITTEE:

The majority of the Lots look great. We have a few that need to be taken care of but because of the rain, we have been more lenient. We will be checking the lots next week and letter will be sent to those owner's whose lot needs work.
