We are extremely pleased with the progress made by the Covenant Committee. They have spent many hours in meeting with many more to come.

The Architectural Committee is burning the midnight oil getting permits in line and dealing with our owners on a one-to-one basis.

The Grounds Committee is making great progress trimming trees.

The Welcome Committee has visited several folks with packages and is keeping an ever-watchful eye out for newcomers.

The Finance and Rules Committees are working together now to formulate new ideas.

Thanks to all volunteers!

Activities Committee

The Activities Committee (TAC) sponsors all group activities such as dinners, crafts, bowling, card games, Bible study, line dancing, fund raisers, etc. One main goal of the committee is to raise money all season long for the betterment of Paradise Valley Campground. The group is comprised of volunteer owners, and we meet once a month on the 3rd Thursday at 2PM in the Pavilion. We discuss and vote on monthly activities, determine events, fund raisers as well as brainstorm about what projects might benefit the campground. Our funds are raised from raffle sales, silent auctions, yard sales, pavilion breakfasts, cook outs, and private donations.

The campground has benefited greatly by your support of The Activities Committee. Listed below are the items accomplished/purchased in 2005:

1. Sears Large Storage Shed for storage of yard sale items
2. Landscaping of front and memory gardens
3. Flag with lights
4. Entrance sign restored and painted
5. Freezer for kitchen
6. Bubba Grill

Thanks

We had a yummy French Toast Breakfast this month cooked and served by our guys. They surprised us girls with setups at each seat. Hats off to Nick Coman, Sam Owens, Charlie Sundin, and Jerry Higgins in the kitchen; Tom Grice, Roger Smith, and Bill Maxwell, wait staff; and Bob Poling and Dick Mazourek for collecting money. Charles Preslar won the 50/50.

Lin and Gene Ewert donated the colorful vinyl table and seat covers for our Pavilion Picnic area. Bobbi Harden and Jack Pelt helped staple the covers in place. They look great and we will all enjoy using them. Thank you, team.

Nancy Morris, Roger Smith, Joan Moehring, and Marilyn Yankee surprised us last week with an unplanned gardening morning. They got tired of low hanging branches and took it upon themselves to "clean yard." Nancy was driving that tractor like a pro. Great job!

Hopefully, you have all noticed the new furniture around the pool and patio deck. We owe thanks to Jim and Stephanie Adair, Lanell Coons, Donna and Dwight Winburn, Bill Dotson, Gail Flynn, Sam Owens, Paul and Bonnie Merritt, Angelo and

Jeanette Constantine, and Bernie Berk for picking up, unloading, unpacking, and assembling. You all did an awesome job.

Please help us take care of our new furniture by lowering umbrellas when you leave the pool.

We also have two new owners, Diane and Lynn McWaters that have agreed to keep an eye on the pool and watch the umbrellas daily and especially on stormy days. If you live near the pool and would like to help, please see them on Lot 72 or Lanell Coons on Lot 264. Notice there are six new owners involved in this project. It's great to see them volunteering.

Thanks to John Morris and Buck Tidwell for installing the new microwave in the kitchen. Great job!

How to Plant Your Garden

First you come to the garden alone, while the dew is still on the roses. . .

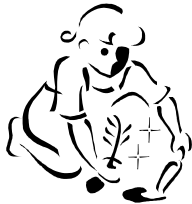

Plant three rows of peas:

- Peace of mind
- Peace of heart
- Peace of soul

Plant four rows of squash:

- Squash gossip
- Squash indifference
- Squash grumbling
- Squash self-ishness

Plant four rows of lettuce:

- Lettuce be faithful
- Lettuce be kind
- Lettuce be patient
- Lettuce really love one another

No Garden is without turnips:

- Turnip for meetings
- Turnip for service
- Turnip to help one another

To Conclude our garden we must have thyme:

- Thyme for each other
- Thyme for family
- Thyme for friends

Water freely with patience and cultivate with love. There is much fruit in your garden because you reap what you sow.

Special Thanks

Thanks to all of you for the phone calls, cards, and words of encouragement when we lost Mama. We especially appreciated the knock-out rose bushes you got for our garden and the memory garden. We feel blessed to have you as extended family.

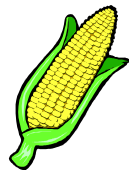

Barbara and Buck Tidwell

Thanks to Anne Raptis, Stephanie Adair, Mildred Pelt, Barbara Mushlin, and Lanell Coons for copying and assembling the PVC Directories. Your help was greatly appreciated.
