### White County Animal Control

Although there is no Leash Law in White County, there is a NUISANCE LAW. We have had a honey colored Husky/Malamute dog of considerable size, roaming our community for quite awhile. Recently, it was inside the fenced pool area. He has been removed 4 times, but kept getting back in, as he could fit through some of the slats in the fencing. This might jeopardize our Pool Permit. A resident contacted Animal Control, to explain that the dog is harmless, very friendly, but has been creating problems. Some children have been afraid of the dog due to its size and many of our PVC dog owners are concerned. He roams through the woods and likely could be carrying

fleas and ticks. The resident contacted the owner, Will Nix at (404) 939-4556, and was told there was no leash law, just shoo him away. Thus the call to Animal Control. Animal Control has contacted Mr. Nix advising him of the Nuisance Law. If they receive further complaints, they will start fining Mr. Nix.

Should anyone have a complaint, contact Pat at Animal Control 706-219-2689. If you do not reach anyone, leave a full message and they will respond.

We have been missing several of our traveling friends.

Paul & Bonnie Merritt and Donald & Mariquita Haines have been out west for many weeks.

Ted & Jody Deitz went to Traverse City to see relatives.

We hope they all have safe trips and return to us soon.

### Words of Inspiration

"The Lord is my strength and my shield; my heart trusts in Him, and I am helped. My heart leaps for joy and I will give thanks to Him in song.

**Psalm 28:7(NIV)**

### "That Ragged Old Flag"

I walked through a county courthouse square.

**On a park bench, an old man was sittin' there.**

I said, "Your court house is kinda run down,

He said, "No, it will do for our little town."

I said "your old flag pole kinda leans a little bit,

And that's a ragged old flag you got hanging on it."

He said "have a seat/' so I sat down, He said, "is this your first visit to our little town?"

I said, "I think it is." He said, "I don't like to brag, but we're kinda proud of

### "That Ragged Old Flag"

You see, we got a little hole in that flag there,

When Washington took it across the Delaware.

It got powder burned the night Francis Scott Key sat watching it, writing

**"Oh, Say Can You See"**

It got a rip in New Orleans, with Packingham & Jackson tugging at its seams.  
It almost fell at the Alamo beside the Texas flag,  
But she waved on though It got cut with a sword in  
Chancellorsville,  
Got cut again at Shiloh Hill.  
There was Robert E. Lee and Beauregard and Bragg,  
And the south wind blew hard on  
"That Ragged Old Flag"  
On Flanders Field in World War I,  
She took a bad hit from a Bertha Gun,  
She turned blood red in World War II  
She hung limp and low by the time that one was through,  
She was in Korea, Vietnam,  
She went where she was sent by her Uncle Sam.  
The Native Americans, The Black, Yellow and White  
All shed red blood for the Stars and Stripes.  
And here in her own good land,  
She's been abused, burned, dishonored, denied and refused,  
And the very government for which she stands  
Has been scandalized throughout the land.  
And she's getting thread bare, and she's wearing kinda thin,  
But she's in pretty good shape, for the shape she's in.  
Cause she's been through the fire before  
And she can take a whole lot more.

So we raise her up every morning  
And we bring her down slow every night  
We don't let her touch the ground  
And we fold her up right  
On second thought,  
I do like to brag  
Cause I'm mighty proud of  
"That Ragged Old Flag" '
