We wish the Board members well in their new positions and duties and look forward to smooth sailing on newly-surfaced roads.

Sandy and Ray Schulze were in a serious automobile accident on Friday, May 27, while they were returning from Tampa to PVC. Ray suffered minor injuries, while Sandy's injuries were much more serious. She has had two surgeries on her arm and faces the possibility of more. One of the dogs was slightly injured, as well. Thanks to Bernie and Roz Berk, Lot 53, who donated shirts and a jacket with PVC logo for our upcoming raffle. Don't miss that raffle! Betty Lance, Lot 219, gets a big thanks, too, for donating many of her garden tools to the park.

Special "Thanks" to Sherrie Ivie of Creekstone Realty, who donated \$25 for the new bird bath in our entry garden, and \$100 for our raffle. Your most generous donation is appreciated.

Last, but not least, we again thank all the volunteers who helped out with our Pavilion breakfast. The food was yummy and we enjoyed the get together.

Announcements

The Activities Group would like you to know that they have been busy making improvements using funds generated from past events. Your participation at various activities and contributions is what has made these improvement projects possible.

Improvements so far this year include a storage shed at the Pavilion, new entry garden with flag and lighting, and beautification to several garden areas.

Under study now is the purchase of a new BBQ grill to be used for our campground events. It will be housed in the covered area near the pool. Any donations toward that purchase would be greatly appreciated.

Travel
