Here we are already into June, almost one third of our season gone! Members are busy cleaning and maintaining their properties. The trimming and removal of trees on the drain fields have begun and grass seed will be spread to help the drain fields perform properly. Work continues in maintaining our water and sewer systems. The campground continues to have a large turnover of lots. We would like to welcome our new members but to also remind both old and new members to please follow the rules of the park. Please adhere to the 10-mph speed limit and remember that golf carts must yield to all other vehicles. Special thanks to the members that volunteered to put up the privacy fence at the pool and rebuild the table under the arbor at the pool area. Volunteers are vital to making Paradise Valley Campground the beautiful place you chose to buy into. PLEASE step up and help with various projects around our campground!

Grounds – Darrell Williams

All is quiet with the Grounds team! The pool area has been completed, thanks so much to the volunteers that made it all happen! Shirley, Barbara, Billy, Wally, Gary, Brian, Lee, Steve and Bruce! Everyone helped with different phases of the revamp and It would not have been completed without their help! Please be sure to pay attention to what you are putting in the roll off (only non-house-hold items, larger items). Be sure your items go into the dumpster and are not left lying around the dumpster. If the roll off dumpster is full please DO NOT put anything else into it. Hold your items and notify a board member and they will let you know when the dumpster is ready for your items. If you need help with something just ask!! Only house-hold garbage goes into the dumpsters near the front gate!!

WHAT'S COOK'N'?

**Spaghetti with Tomato
and Walnut Pesto**

Basil is a mere garnish in this nutty, cheesy, peak-season pesto sauce!! Makes: 4 servings

INGREDIENTS

- ⅓ cup walnuts
- 2 pints cherry tomatoes, halved
- 2 tablespoons plus ⅓ cup olive oil, plus more for drizzling
- Kosher salt
- 6 oil-packed anchovies, coarsely chopped
- 2 garlic cloves, coarsely chopped
- 1 teaspoon finely grated lemon zest
- ¼ teaspoon crushed red pepper flakes
- ½ ounces Parmesan, finely grated (about ½ cup), plus more for serving
- 1 teaspoon freshly ground black pepper
- 12 ounces spaghetti
- ½ cup (packed) basil leaves

RECIPE PREPARATION

- ✓ Preheat oven to 350°. Toast walnuts on a rimmed baking sheet, tossing once, until slightly darkened, 8–10 minutes. Let cool.
- ✓ Heat broiler. Toss tomatoes with 2 Tbsp. oil on a rimmed baking sheet; season with salt. Broil, tossing once, until tomatoes are blistered and have released some of their liquid, 5–7 minutes. Let cool.
- ✓ Pulse anchovies, garlic, lemon zest, red pepper flakes, and ½ oz. Parmesan in a food processor until finely ground. Add walnuts and half of tomatoes, then, with motor running, stream in ⅓ cup oil; process just until combined. Season with salt. Transfer pesto to a large bowl and stir in black pepper.
- ✓ Cook pasta in a large pot of boiling salted water, stirring occasionally, until al dente. Drain, reserving ½ cup pasta cooking liquid.
- ✓ Transfer pasta to bowl with pesto and add a splash of pasta cooking liquid. Toss, adding more cooking liquid as needed, until sauce coats pasta. Add basil and remaining tomatoes.
- ✓ Divide among bowls; top with more Parmesan and black pepper and drizzle with oil.

Did you know?

Have fun cooling off and meeting your neighbors!

PETS: Those of us who have them know too well how special they are to us. But not everyone feels the same way, PLEASE be considerate to all! No pets are allowed in the pool

area or the pavilion. Be sure to carry plastic bags when walking your dog and clean up after them. No dog enclosures, whether temporary or permanent, can be put up in the park.

RIGHT-OF-WAY: Motor vehicles and RV's have the RIGHT-OF-WAY over golf carts. It is much easier for a golf cart to move off the narrow roads than a larger vehicle. Be mindful of others!!

MOTORCYCLES are not permitted to be used in the park like a golf cart. They are for egress and ingress only. Please comply with this rule.

QUIET TIME: Quiet time is 11 p.m. to 8 a.m. Using motorized equipment or creating loud noises during this time is prohibited between these hours.

To Volunteer or Not to Volunteer

By Bob Fedderwitz

As the Executive Director of a large community center with 4500 families, I honor our many volunteers every year with a terrific luncheon followed by entertainment and magnificent speeches commending our staff and volunteers. Ok, maybe not magnificent speeches, but the speeches are from the heart. As I have learned over my 31 years at the Bonaventure Town Center Club in Ft Lauderdale, Fl, a facility is simply a building but when you add volunteers and staff, you are giving that simple building life. The Board of Directors, the committee people, the folks that walk the grounds, shuffle paper and most important, interact with the people, create the happy atmosphere that the community longs for. Despite the many names that some people proclaim, like “condo commandos” “power mongers” and other unfair remarks, they really don’t get it and don’t understand the dedication and hard work that is required to carry out these responsibilities. I will be forever grateful to the volunteers and staff that have worked with me over these 31 years and I hope I did my job by encouraging the next generation to follow in their footsteps. The first thing I noticed when we came to Paradise Valley was how friendly everyone is and how well maintained everything is. I knew that it took a lot of work. After our purchase I learned that the operation is completely dependent on volunteers. That alone showed me that this is a place where I want to be. When folks from all over our country with different cultures and different generations can accomplish all that we have at Paradise Valley, that is something to really celebrate and be grateful.

I love reading the Pipeline every month and once and a while I am allowed to give my 2 cents. I noticed that there is a need for volunteers, whether it be on the Board, or certain committees or just general help around the property? There are some volunteers that have been contributing since the inception of Paradise Valley and some newcomers like Muriel and me. When I make a pitch to encourage people to volunteer at our community center, I make the sale that volunteering is addictive. When you are paid by smiles you put on people’s faces, that is priceless. I often say, come and volunteer for the time of your life. Ok, maybe I’m going too far, but it usually brings out the best in us. So, I’m making the pitch now. **Volunteer at Paradise Valley Campground for the time of your life.**

Muriel and I will be retiring the end of this November. Our one-week gigs at PVC, four times a year will lead to us being present during Spring, Summer and Fall next year. It will be an honor for us to volunteer and perform whatever tasks the Board of Directors wish us to do. However, I do have some limitations. I stopped painting about 5 years ago. Muriel says that I still paint, but by number now. She puts number 1 on the walls, number 2 on the ceiling and number 3 on the trim. I no longer go up in aerial lifts. About 4 years ago I shot up into the sky to check a ballast on the top of a lamppost. The lift wobbled. I pressed the down button and said to my maintenance supervisor, you will never see me on a lift again. However, I still change light bulbs that I can reach. Muriel on the other hand has no limitations. Both of us look forward to our retirement and our time at Paradise Valley and putting smiles on people’s faces. I guess that will be our way of saying thank you for creating this happy place for us to work and play and give our lives purpose. At the end of our volunteer lunch, after all the boring speeches and my magnificent speech (LOL) I usually tell a few jokes. Everyone laughs because they must and don’t want to embarrass me. So, I will leave you with this. Many people know that I am a die-hard Yankee fan and crazy about baseball. My childhood piano teacher made me put quarters on the back of my hands when taking lessons. Her idea of the M&M boys was Mozart and Mendelssohn. Unfortunately, my idea of the M&M boys was Mantle and Maris. So much for my piano lessons. So, Joe and Mike were crazy about baseball, just like me. They promised each other that whoever died first will appear to the other and report if there was baseball in heaven. As fate would have it, Joe passed away first. Mike was really depressed because baseball just wasn’t the same without Joe. A couple of weeks after Joe’s passing, Mike awoke in the middle of the night to the nudging of Joe. Mike sat up and asked Joe, are you here to tell me if there is baseball in heaven. Joe smiled and said yes, there is baseball in heaven. Mike jumped for joy. However, Joe said, I do have some bad news. Mike exclaimed, how can there be bad news if there is baseball in heaven. Joe replied, Mike, you’re pitching tomorrow night.

Good night everybody!
