

Paradise Valley Campground

Pipeline
May, 2010

Welcome back to Paradise everyone!
Hope everyone had an enjoyable Winter.

It has been a long, wet, cold Winter in the mountains. Other than a few burst pipes, a lady running into our fence, and some well problems; everything went satisfactorily this Winter in Paradise.

A big thanks to Skip Walton for looking after our park this Winter and taking care of all the problems.

It's that time once again, when we all need to address the maintenance that needs to be done to our lots and RV's. Let's all get that done and keep Paradise looking beautiful.

Our condolences to Marti Liebal and Barbara Chambers for the loss of their loved ones. Jim Liebal and Jack Chambers will be missed by friends in Paradise Valley.

The laundry room is now open and the pool will be opened around May 22.

Directors meeting will be May 8 at 10:00 AM. Please plan to attend all Board Meetings as we need and want your input.

Buck Tidwell
President

ACTIVITIES

On behalf of the Activities Group, we all want to welcome everyone back to our beautiful park for the Summer Season. We look forward to having lots of fun together and sharing many memorable meals.

Our first breakfast was enjoyed on April 17 with 40 people in attendance.

There will be a Hamburger/Hot Dog cookout on May 1 at 12:30 PM. We are trying a mid-day event to see if folks like that for a change. Cost is \$5 for burger or hot dog, cole slaw, potato salad, dessert, and beverage. Please sign up at the Pavilion if you want to donate a dessert.

Our next Board of

Our first official Activities meeting will

be held May 20 at 2 PM with Sally Jones as our new Director. Welcome aboard Sally! Please join us as we plan meals, discuss yard sale dates, etc.

Mark your calendars for another cook out on May 29, the day of our Annual Owner's meeting and Memorial Day Celebration.

SYMPATHY

Unfortunately, we have had 4 deaths in the campground this past season. Our thoughts and prayers are with Marti Liebal, Barbara Chambers, Hammond and Marilyn Frith, and Nick & Jan Coman. The Frith's lost a son, and the Coman's lost Nick's mom.

God is our refuge and strength, a very present help in trouble.

Psalms 46:1

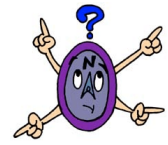

We have had many owner's that have had surgeries and other medical difficulties this Winter. We hope you are all on the mend and looking forward to improved health this Summer. The list includes Lin Ewert, Wilmer Parks, Nick Coman, Jim Adair, Bob Lucas, Holly Watkins, Aubrey Childress, Don Roane, Sally Jones, Marilyn Frith, Elizabeth Carter, Nan Hohne, Johnny Stripland, Kathy Opava and Eleanor Mazourek.

WELCOME

Our prayers are with Barbara Chambers in the loss of her home due to fire.

TRAVEL

I am sure many of you had trips during the Winter months. The only travel info turned in to The Pipeline includes the following: Rod & Kathy Gibson traveled to Florida; Dwight and Donna Winburn took a motorcycle trip to Flagler Beach, Fl; and Buck and Barbara Tidwell took their RV to Salt Springs, Fl in February.

THANKS

Dawn Trantham on Lot #253 donated a trash can to the Activities group. Thank you Dawn! Thanks to Nancy Poling for her work on the Sunshine Committee.

ANNOUNCEMENTS

Buck Tidwell is donating ribs for a cook out to be held May 22 at 5 PM as a fund raiser to be put toward the Pavilion remodeling fund. The Activities Group will supply the cole slaw, baked beans, rolls, iced tea and lemonade. Price will be \$5 per plate. Ladies are asked to bring a desert. Tickets will be sold in advance in an effort to get an accurate head count for food.

The Welcome Committee greeted Will & Francie Hendon on Lot #102. They own

a home in Marietta and plan to use PVC as a get away. Francie is still involved in property management on a part-time basis, while Will is retired from steel sales. They are very friendly and are looking forward to meeting new friends. Will enjoys fishing and Francie is looking forward to the pool opening so she can enjoy some swimming. They are usually here Sunday through Monday or Tuesday due to Francie's work schedule. Please stop by and say "Hello".

REMI NDERS

The Activities Group has a 2010 campground cookbook available for sale. There are 350 recipes, 9 categories, along with helpful hints for cooking. The price is \$10 per copy. This would make a lovely gift for Christmas and birthdays to friends and family. Keep in mind this is a fund raiser and the proceeds go for items we need here in the campground.

Also the 2010 Directories will be published after the May election. You need to have any Directory changes in by June 1. Changes may be left in the book located in the Pavilion, given to Barbara Tidwell on Lot 16, or Lanell Coons on Lot #264. The data base only has room for one home phone, one cell, and one local.

Don't forget to check out our

campground web site at pvc4u.net. Thank you, John Coons, for providing the site.

Two write-in candidates for Board of Directors: Stanley Gunter, Lot #199 and Beverly Sundin, Lot #52.

A variation on this for **RIBS** is to use molasses instead of Apple Juice and follow the other recipe as indicated.
