Owners bought this high-end, "affordable luxury" 5th Wheel in April 2016. MSRP plus Options totaled nearly \$150K. Following purchase it was professionally moved the 794 miles to its current NE GA location. Plans changed immediately following purchase, and owners have never taken it "on the road". It is virtually new – the Manufacturer's 2 Year Limited Warranty runs until April 2018. Learn more about Redwood RV's, their features and construction, and this RW38GK at **RedwoodRV.com**.
