

**PARADISE VALLEY CAMPGROUND
CANDIDATES for BOARD of DIRECTORS 2015
BRIEF INFORMATION STATEMENTS**

Beth Wolfe and her husband Chris recently retired so that they could spend the entire season in Paradise Valley. She retired in 2013 from teaching elementary school for 35 years in Pinellas County, Florida. In that capacity she headed numerous committees and presented some of her teaching ideas around the state of Florida. She coached a creative problem solving team, Odyssey of the Mind (OM), for 5 years, eventually making it to World Finals in Maryland. She has organized many field trips within Florida and also to College Park, MD for the OM competition. Currently Beth is the Vice President of the Board of Directors for the Academy of Ballet Arts, Inc. In that role she is responsible for preparing the books annually for presentation to the accountant for submission to the IRS. In 2013 she and her son restructured the Academy's tuition plan as well as set up a budget and financial goals to assure the business became self-sustaining, which in 2014 it did. She joined the Activities Committee this year and assisted Sandy last year when she and Chris were in the Park. The reason Beth is running for the Board is because she feels so grateful for this wonderful park and the warm way in which she and Chris were welcomed, she wants to be helpful in any way she can and to give something back to keep this park the amazing place it is.

Bill Maxwell - I am very pleased to have been nominated to seek election for another two year term to the Board of Directors. Dianne and I purchased our first lot in Paradise Valley Campground in 2005. We have since purchased a second lot and have built a cabin so that we might enjoy this beautiful campground even more.

Dianne and I have two children and five grandchildren that have visited us in the

campground and have thoroughly enjoyed themselves while here in our campground.

I have served on the Covenants Committee, the Grounds Committee and the Finance Committee in past years. The 2014-15 year, I served as the Secretary of the Board of Directors and this year I have the distinct pleasure of serving as your President of the Board of Directors. I would very much like to have the opportunity to serve on the Board of Directors for another two year term. The Board has worked very hard to be open, transparent and positive in all of our dealings with the owners of our campground. This is a very driven goal of mine and this goal should be reached in all decisions that pertain to this campground. Every decision that is made for the membership of our campground should always be made in a positive manner to try and resolve an issue that may come to the attention of the Board.

It is my desire to have another two years to continue working with the Board of Directors in making this the very best campground that we could possibly have. I feel that this campground truly belongs to the owners and that each of the Board of Directors has the responsibility to be good stewards of the campground and to continue making our campground operation financially solid.

Thank You for your consideration,
Bill Maxwell, Lot 243 & 244

Cathie Opava - Mike and I have been married almost 26 years. Between us we have 5 children and 12 grandchildren. I worked for the British Consulate in Atlanta for 23 years. We were in Brookside for a few years and I served as Activities Chair. We then moved over to Paradise Valley 1995/96 and have been involved in Activities as a

volunteer.

I am a very strong supporter of the covenants, bylaws and rules. We have a great park because of this. I feel we all should take our turn and I would like to be a voice for the people.

Darrell Williams - My wife Shirley and I are married for 40 years. We have two daughters, three grandsons and a wonderful son in law, who is "Career Navy".

Shirley and I have owned in "Beautiful" Paradise Valley Campground for four years. I have enjoyed helping out around the park. Helping with grilling the campground cookout's and I am told "My Specialty is the Pulled Pork" for PVC's Fantastic (Thank you Ladies!) Labor Day Celebration.

I have owned and operated a full service filling station, early 70's in Oakdale, GA. I was employed by General Motors and retired after thirty two years of service. I also served on the Board of Directors of our Softball Association for five years including Equipment Manager, Vice President and President.

I would feel honored and privileged to serve on the PVCOA's Board of Directors because I feel we have the best and most Beautiful Park of this kind in the country, and the best board of directors. I would like to do MY part to keep it that way.

Thank you for your consideration;
Darrell Williams

Earl Denham A native of Tifton, GA, Earl is a retired Air Force major. During Operation Desert Storm, he developed the fueling strategy for equipment positioned in the war zone. He was a director at the National Petrochemical and Refining Association where he conducted regional training seminars nationwide. As a partner in the

consulting firm C4e, his recommendations to change fuel purchasing standards saved taxpayers \$800 million. As the president of the Tifton-Tift County Chamber of Commerce and primary economic developer for the community, he negotiated a \$24 million plant relocation that added 500 jobs to the Tifton economy. He will retire from Abraham Baldwin Agricultural College, where he teaches business and economics, in December 2015. Earl and Teddie have been part of the Paradise Valley community since 2010.
